Montreal Diocesan Theological College

We are a lively Anglican community, embodying the comprehensiveness and freedom that characterizes our tradition at its best.

We pray the daily offices and celebrate Eucharist together.

We are affiliated with McGill, one of Canada's leading universities.

Our In Ministry Year is unique in North America. It has been described as an 'excellent' program by our accrediting body, the Association of Theological Schools of the U.S. and Canada.

Our program is thoroughly ecumenical. Our students study scripture, theology, ethics, pastoral care, mission with students and faculty of other churches, principally the Presbyterian and United Churches.

The study of global Christianity is both a curricular requirement and an experiential dimension of the program. Students have opportunities to study in Jerusalem and experience a field trip to Cuba.

We house the Centre for Lay Education which offers a variety of exciting opportunities for learning and the enhancement of ministry skills at the College and throughout the diocese.
